

# Skilled Medical & Rehabilitative Services

At Green Valley Skilled Nursing and Rehabilitation Center, we understand the best way to care for our older population in need or short or long term rehabilitation is to treat each person as the individual they are. This fully-licensed facility is a division of Senior Health Care Solutions, a premier provider of long term care for three decades in Northeastern and Central Pennsylvania. Our commitment to care is centered on a philosophy that is dedicated to the whole person.

Our highly trained staff, partnered with you, will help build an understanding of each person's daily routines to make the transition to skilled nursing seem effortless. Our goal is to make an often difficult decision the right decision for you and your family.

Green Valley Skilled Nursing and Rehabilitation Center offers a pleasant, home-like environment while maintaining a superior facility, equipped with a sprinkler system and central smoke and fire alarm systems.

The exceptional dining program offers an array of breakfast, lunch, and dinner fare coordinated by a licensed dietitian and cooked by our well-trained chefs. There are a variety of activity areas, lounges, beauty salon, dining room, or sitting areas to socialize, read, watch television, or just relax. Activities are scheduled daily, offering a variety of social, recreational, spiritual, educational, and wellness activities to suit personal interests and abilities.

Senior Health Care Solutions is not a chain affiliate and the principals of the company are both longtime residents of Northeastern Pennsylvania.
